### Pumpkin Patch appoints Chrissy Conyngham as Group General Manager/ Design Director

Group Chief Executive Officer Maurice Prendergast today announced the appointment of Chrissy Conyngham to the role of Group General Manager/Design Director. In this role she will oversee our Senior Management Team, directing the operations throughout Australasia.

This appointment will allow Maurice Prendergast to concentrate on the development of the Company's new markets, primarily the United States and the United Kingdom.

Maurice Prendergast said "Pumpkin Patch is becoming a truly international brand. Its recent moves in the United States and other new markets require a dedicated focus to realise the opportunities we have in those markets. As we continue to grow the business we must have a strong leadership team and continue to be an innovative leader in design. I am sure the appointment of Chrissy with her extensive knowledge of the industry and experience over many years at Pumpkin Patch as Design Director will continue to enhance our business as we move forward"
